

# CAST AN AURAL

## STEP 1 I NEED TO DO A SPELL?

That's very annoying. But magic is so alluring, so connecting...and so close, within my reach.

## STEP 2 A STABLE LIGHT SOURCE IS IMPORTANT.

Indoor environments work best, but try working the magic outside if that's all you got.

## STEP 3 ANOTHER CONDITION?

The pages must lie flat.

# SPELL ON FRANK

## STEP 4 FIND FRANK

Forage for the very rare FRANK app and absorb/apply it to your handheld device.

## STEP 5 OKAY! OKAY! OKAY! OKAY! OKAY!

Light, app, indoors, and flat! Audio on, volume up! Everything gathered, everything met...

## STEP 6 AIM DEVICE AT EACH CHAPTER'S TITLE PAGE

Every time you see one! Abracadabra!
